

Responses to public consultation of the Nordic synchronous area methodology for the minimum activation period to be ensured by FCR providers in accordance with Article 156(10) of the Commission Regulation (EU) 2017/1485 of 2 August 2017 establishing a guideline on electricity transmission system operation

1. Public consultation

Article 11 of the SO Regulation states that: *“TSOs responsible for submitting proposals for terms and conditions or methodologies or their amendments in accordance with this Regulation shall consult stakeholders, including the relevant authorities of each Member State, on the draft proposals for terms and conditions or methodologies listed in Article 6(2) and (3). The consultation shall last for a period of not less than one month.”*

This Proposal has been consulted in the period 14 December 2020 to 25 January 2021 on the ENTSO-E Consultation Hub¹. The Nordic TSOs did not receive any meaningful feedback on the proposal².
